

Bibliography of W.Ver Eecke. April 2003.

I have published in four languages: English, Dutch, French and German.

Some of my publications have been translated into five more languages: Chinese, Italian, Portuguese, Spanish and Polish.

I published on Hegel, on philosophy of psychoanalysis and of psychology, on philosophy of economics and of social sciences, on philosophy of language and literature and on miscellaneous subjects. I provide a list of my publications below both in chronological and in thematic order.
